

4 mm Digital Multimeter Fused Probe

CT3145

Features:

- Standard size body: 115 mm [4.5 in] length
- Probe tip w/4 mm plug
- Retractable safety sleeve
- Durable design
- Replaceable 6 X 32 ceramic fuse

Description:

The CT3145 is an individual standard size fused probe body that features, both, a contact tip and 4 mm banana plug. One end of the probe contains a contact tip/4 mm plug combination with a retractable sleeve. The opposite end has a 4 mm jack.

To replace the fuse, unscrew the probe in to two separate pieces. A fast acting 6 x 32 mm ceramic fuse, rated at 600 V : 10 A, is included with the CT3145.

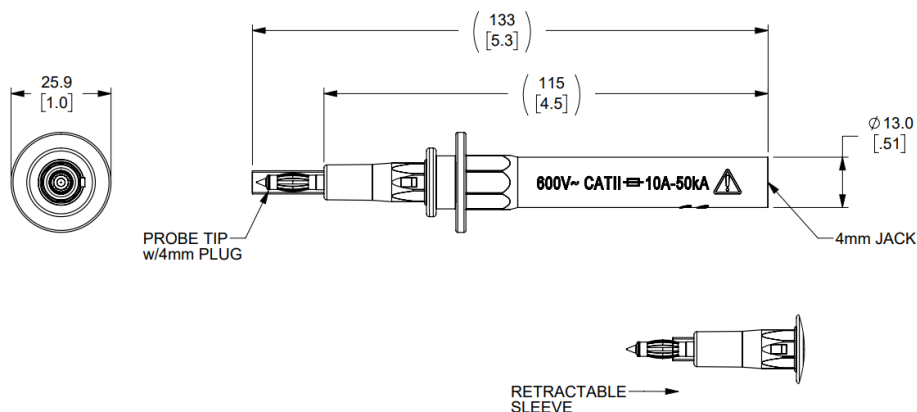

Available individually or as a pair. See Order Information on page 2.
